3yr.	\$18.15 per house, \$12.10 per trailer, \$12.10 per unit in apartment complex.

This bid is based on the current landfill rate of \$9.78 per cubic yard. If landfill rates are increased, or dump site changes, causing expenses to rise, rates will be adjusted accordingly.

Redlin Rubbish Removal, Inc. is interested in initiating a recycling program for the community. The cost would be an additional \$3.00 per unit per month.

A representative of Redlin Rubbish, Dave Reda, was present at the meeting. No representative from Immediate Disposal was in attendance.

The Trustees reviewed in detail the bids and the information sheet provided by each of the bidders. Although the overall cost bid of Immediate Disposal was less than that of Redlin Rubbish Removal, Inc., the Trustees were troubled over the fact that Immediate Disposal has had no experience handling municipalities or other large accounts. This information was gleaned from the information submitted by Immediate Disposal. The Trustees also questioned the amount of equipment owned by Immediate Disposal. It was noted that all collection must be done within a one day period.

After much deliberation and discussion concerning the individual bids as submitted, MOTION by Fisher seconded by Schneider that the bid of Redlin Rubbish Removal, Inc. be accepted for a period of one (1) year. Voting yes: Fisher, Schneider, Bergdorf.

The Trustees further expressed their concern regarding the rising cost of rubbish collection fees and indicated that an immediate study would be done relative to the feasibility of having the residents be charged individually for rubbish collection. Dave Reda, representative of Redlin Rubbish indicated that this is how many of the other local communities are handling the situation. It was his suggestion that the Trustees, if authorized, pass a resolution mandating that each resident have rubbish collection. This will prevent accumulation of rubbish. He also suggested that the Township dictate what days of the week would be used for rubbish collection. This will prevent trash being kept on the curbside in various areas of the Township.

The next item of business concerned the upcoming meeting. MOTION by Fisher seconded by Schneider that the meeting of August 1, 1989, be held at 8:00 A.M. at the library. The next meeting, August 15, 1989, will be held at 7:00 P.M.

MOTION by Fisher seconded by Bergdorf to adjourn. Voting yes: Bergdorf, Fisher, Schneider. Meeting duly adjourned.
