The regular meeting of the Boston Twp. Trustees was called to order by Vice Chairman Joseph Broderick at 10.00 A.M. Present were Trustees Joseph Broderick, George Fisher, Jr., and Clerk Morgan. Absent Trustee Dan Schneider, Jr.

Mr. Griffith told of a letter received from the Park Board denying them permission to use the park land fill. No right of way will be granted on park property. The township would have to work on their existing right of way. He felt that the township had not been well served by the county engineer. He was shown a letter from the engineer's office which went along with John David Jones Associates findings.

Mr. RYMER STATED THAT IT WAS NOT NECESSARY TO FIX THE WHOLE, KRM, only the part which is sliding. He asked that pile driving be considered with an asphalt curb on one side of the hill and a paved curb on the other side. He felt that letters to our congress men might get results for using part of park property on the hill.

A special meeting will be held Thursday, Nov. 12, 1987, at 7:00 P.M. to further discuss the Oak Hill problem.

Getting hospitalization for part time employees was postponed until the last meeting's minutes are obtained.

Mr. Anderson was asked to get a list of all items which the township no longer needs so that it can be put up for bid or auction.

A motion by Broderick, seconded by Fisher, to pay the bills and payroll. Voting yes: Broderick, Fisher.

A motion by Broderick to secure bonds for newly elected officials - Bergdorf and Krusinski - and to renew bonds for Anderson and Jones.

Mr. Anderson stated that speed limits signs were to be put up next week. A motion by Broderick, seconded by Fisher, to purchase six extra speed limit signs. Voting yes: Broderick, Fisher.

A motion by Broderick to adjourn.
