

RECORD OF PROCEEDINGS

Minutes of

Regular

Meeting

Notepad Graphics Corp., Colo. U. Form No. 1077

Held

May 26, 1967

19

The regular meeting of the Boston Township Trustees was called to order by Chairman Dan Schneider, Jr. at 10:00 A.M. to transact the business of the township. Present were Trustees Dan Schneider, Jr., Joseph Broderick and Clerk Longina Morgan. Absent - Trustee George Fisher, Jr.

A motion by Schneider, seconded by Broderick, to pay the bills and payroll. Voting yes: Schneider, Broderick.

A motion by Broderick, seconded by Schneider, to accept the minutes of April 24 and 25. Voting yes: Schneider, Broderick.

The clerk read a letter from Paul Swanson stating that trees would again be picked up by crews this summer. The township is asked to pick up the bags of rubbish along the roads.

Mr. Schneider asked that John Kruzinski be hired to do mowing for the township at the rate of \$4.00 per hour. Mr. Broderick questioned the need of another worker. Mr. Schneider mentioned several projects that need to be done by the road crew. A motion by Schneider, seconded by Broderick, to hire John Kruzinski part time at the rate of \$4.00 per hour. Voting yes: Schneider, Broderick.

Mr. Broderick brought up several items: To date there is no report on the buildings; why are we paying on the police contract when we have no contract. Mr. Schneider stated that we are to pay month until a contract is signed. The clerk reported that Evelyn Kaczmarek had mailed the fire contract to Edward Pallekins during the last week. The question of cable television was brought up. Distance between homes on township makes it not feasible for cable televisip. Mr. Broderick stated that he would like to have at least one township during the evening so that residents of the township could attend. It was stated that very seldom does anyone attend meetings whether held in the morning or night. He favors two morning and two evening meetings.

Oak Hill residents were in attendance inquiring about progress on the Oak Hill Road situation. The county has finished its survey and Jones, Inc., has signed a contract for the study of work to be done. If work exceeds \$5000.00 in cost, same needs to be put out on bid. The residents complained that too much time has elapsed since the road began to slide and that conditions have deteriorated greatly since the problem first came up. One resident questioned the need for the double yellow line on the road. The trustees stated that the final decision on what to do with the hill will be up to the trustees.

Mr. Griffith read a letter which he has sent to several county and park officials regarding the fact that the covered bridge is not open to traffic, especially emergency vehicles. He showed a sketch of a proposed bridge across the creek but felt that the county did not have this high on their list of work to be done.

No report on the Whaley Rd. Extension has been received.

A motion by Broderick, seconded by Schneider, that copies of all correspondence be given the trustees. Voting yes: Schneider, Broderick.

Mr. Broderick asked that a letter be sent to Mr. Swanson regarding a stop sign at Boston Mills Rd. and Hines Hill Rd.
