

RECORD OF PROCEEDINGS

Minutes of Special

Meeting

National Graphics Corp., Colo., U. S. Form No. 1007

Held April 23

1986

A special meeting of the Boston Township Trustees was called to order by Chairman Fisher. Present were Fisher, Broderick, Schneider, Morgan. Absent was Pullekine.

The purpose of the meeting was for the residents of Barlow Road to air their concerns regarding several issues on the road.

The following were brought up:

That there are many small children on the street and that heavy and fast traffic was a problem and concern for the children's safety was of utmost concern.

A school bus turnaround was mentioned but an easement would need to be given from Boston Heights. for same.

A stop light was also mentioned but highly unlikely from the State of Ohio.

A load limit was also discussed but that would affect only business after the load limit was approved not current businesses already there. Broderick suggested each resident writing a letter to the State Highway Transportation Dept. Ravenna Ohio regarding stop signs etc. and that motion might be taken when said letters were recieved. He said petitions were of no use and that they were ignored.

Another solution was to lower the speed limit on the road. Summit County Council would have to be petitioned regarding same.

The townships legal advisor was to be contacted regarding all the issues brought up at the meeting and then the Trustees would then contact the residents on the Road and inform them of what could or could not be done.

Broderick made a motion to ask the Nation Recreational Area to post signs where their trails are. Fisher seconded the motion. Motion approved.

Fisher made a motion to permit Sirpilla Sales to use Concrete Fill only. Broderick seconded the motion. Motion approved. Res. 12-86

Broderick made a motion to adjourn. Schneider seconded the motion. The meeting was adjourned. Res. 13-86
