A special meeting was called to order by Chairman George Fisher, Jr., at 6:30 P.M. Purpose of the meeting was to discuss violation of township zoning laws. Present were Trustees George Fisher, Jr., Joseph Broderick, Dan Schneider, Jr., Clerk Morgan and Legal Advisor Edward Pullekens.

The trustees went into executive session.

Upon readjourning, the trustees stated that R & W were in violation of zoning laws by creating a dump on the George Seeley property on Barlow Road. Boston Twp. zoning laws do not allow dumps on any property in the township. A huge hole had been dug and rubble was being dumped into same.

Mr. Wilson and Mr. Richards of R & W Const. stated that they were not aware of the fact that such dumping was not allowed.

Mr. Matusz, Mr. Schneider and Fire Chief Morgan all stated that such a hole was an incentive for children to explore. Even if a fence were erected around same, children would be tempted to climb same.

The trustees stated that the hole would have to be cleared of all rubble and filled in immediately or R & W would be taken to court.

Mr. Richards stated that he did not wish to violate zoning laws and that same would be cleaned up by Friday. Mr. Matusz is to be present to oversee that the work is done as to the satisfaction of the township zoning laws. If same is not done, the case will be taken to court.

A motion by Schneider, seconded by Broderick, to adjourn.
