Mr. Pullekens stated that the Summit County Council will meet next Monday on the petition for separating the village from the township. New officers and clerk will have to be appointed. Mr. Pullekens felt that the assets of the township belonged to the township but that Prosecuting Attorney Slaby had ruled that the village would be entitled to \$1.4 million of the Roush money and that one third of all real estate, buildings, fire equipment, and cemeteries. A letter had been sent to the Attorney General of the State for a ruling but none had been received so far. Mr. Don Jackson felt that no action on the Roush money should be taken until the attorney general ruled.
