Mr. Pullekens has written the county engineer regarding no parking signs on Oak Hill and Scobie Road. There is no way the trustees should be made to pay the Cuyahoga Com. Council \$600.00 for study on the State Route project. Regarding the 5 ton load limit on Oak Hill Road, Mr. Pullekens has no reply from the county engineer on same. Plans are being drawn up on the salt shed.

A letter has been written regarding the fire hydrants. A backboard for use of the tennis courts is to be made with a study of the one at Portage Country Club to be looked into. Bids have been published for the roof on the wooden building.

A motion by Broderick, seconded by Schneider, to appoint Martin Griffith to replace Max Ratner as our representative to the Cuyahoga County Community Council. Voting yes: Broderick, Schneider.

Residents on the Richfield side of Scobie Road asked if that could be annexed to Boston Township.

A motion by Broderick, seconded by Schneider, to have our road crew put up a curbing around the tennis courts. Voting yes: Broderick, Schneider.

The fire department will clean up the courts after the work is done.

Mr. Hartshorn and Mr. Scobie complained about the kennels on the corner of Scobie and Oak Hill Rds. Mr. Matusz has asked for written complaints regarding same. Valley Rubbish is to be contacted as to whether they pick up rubbish from the business.
