Also he would be enrolled in the Police & Firemen's Disability & Pension Fund. The salary and benefits would be under a yearly review by the Fire Board. This total resolution would be a change in the fire-contract. At this time Broderick gave a brief review of contracts for surrounding areas. All salaries were in the general area for full-time fire chiefs. At this time Broderick then seconded the resolution. All members present vote Aye: Broderick, Fisher, Schneider, Jr., Brunswick, Ritch, Schneider, Sr., and Wursbacher.

At this time the Police Department was discussed. The citizens feel that there is a need for some type of dispatching system in Peninsula instead of having to go through the sheriff's department. A committee was appointed by Mayor Fisher. There are Schneider, Jr. as chairman, Fisher, and Wursbacher. They are to call on Capt. Post and Mike Ritch for consultation. They are to have a report by Sept. 1, 1982. Clerk Collins is to write to the state to come up with some costs.

There was some discussion by the group about the renovation plans for the Township buildings to restore them to their original form, also Federal Aid for such a project.
