Western Cable - Mr. Broderick was trying to set up a meeting with Dan Schneider, Sr., Francis Thomas and himself regarding same. If no progress is made with Western cable, another company will be contacted.

Hunker property - Mr. Fisher stated that he had been unable to contact Mr. Hunker to date.

Boats for rescue work - Mr. Schneider stated that storage was the problem with obtaining boats as the present time.

Extra police protection from 6 P.M. to 2 A.M. - Mr. Schneider had met with Mr. Wurzbacher and they felt that protection was adequate. Mr. Broderick felt that the cost should be shared by Peninsula Village and Boston Twp. Mr. Fisher felt that any matters regarding the police department should be discussed at a joint meeting with Peninsula Council.

Township records - Mr. Broderick felt that the library would accept the old records. Permission would have to be obtained to discard the records.

Restoration of school building and renovation of township hall - Mr. Broderick felt that the trustees should go ahead with the project. Mr. Fisher stated that the people would have to vote on such a project. Mr. Matusz asked if rent could be charged on a township building. Mr. Fisher stated that he had been approached by a Mr. McCormack asking for use of the school building for his repairing same. Mr. Fisher felt that he should come to a meeting and give his ideas on same.

Summit Cty Trustees meeting - HB557 was favored by all in attendance but Mr. Morgan.

Stop Sign at railroad tracks in Boston - Mr. Swanson had given Mr. Broderick permission to put up same. Mr. Broderick felt that a light should be put up on pole no. 7001050. Mr. Fisher asked that the trustees check on all lights in the township.

Dispatch system for fire and police calls - Same should be discussed at a joint meeting with Peninsula Council.

Mr. Pullekens is to check on donation to Woodridge Recreation Assoc.

Mr. Donna Metts asked if the fire contract had been signed (it was signed at a special meeting). Would the people be told of what went on in an executive session. She asked if Boston Hts. pool was federally funded and why township people have to pay for quarry use. She was told that the quarry board is to hold a meeting at the Peninsula Library on Monday, Apr. 19, 1982. She felt that Route 8 residents had been discriminated against in the recent article in the Beacon Journal and that a letter of rebuttal should be sent to the Beacon.

Mr. Kormanik, Scobie Rd., asked why cinders instead of salt is used on roads. He felt that the cinders were a detriment to road work. Mr. Schneider stated that he would soon have a crew to sweep up cinders and that culverts were to be put in on Oak Hill Road.

A representative from the Summit County Engineer's office was present and stated that the Peninsula yard was closed for economy reasons. He stated that the county had 6 yards and Boston Twp. was serviced by both Bath and Northampton yards. The Revised Code stated that roads in a village should be maintained by that village.
