The regular meeting of the Boston Twp. Trustees was called to order by Chairman John Johnston at 7:00 P.M. to transact the business of the township. Present were Trustees George Fisher, Jr John Johnston, Joseph Broderick, Clerk Morgan and Legal Advisor Pat Ritzert.

The minutes of the previous meeting were read. Mr. Broderick asked that the minutes be amended regarding the use of funds for the quarry. He agreed to the clerk attaching the memorandum prepared by Pat Ritzert and the letter from the prosecuting attorney to amend same. A motion by Broderick, seconded by Johnston, to accept the minutes with the amendments. Voting yes: Fisher, Johnston, Broderick.

A motion by Johnston, seconded by Broderick, to pay Edward Hodge for 11 hours emergency work. Voting yes: Fisher, Johnston, Broderick.

Edward Hodge is to take the copier in for repair.

A letter from Mr. Gippin regarding annexation was postponed until the next meeting.

Mr. Broderick read a letter from Mrs. Huxtable commending the police department on their work at the recent concerts at the coliseum. A copy of same was sent to the police department.

Mr. Broderick reported the light on pole #8141008 on Boston mills Rd. is not working.

Max Ratner was present with blue prints for proposed changes for the township buildings. The trustees are to meet with Mr. Ratner and go over the buildings on Sunday, Dec. 6, 1981, at 2:00 P.M. and see what recommendations have been made.

Mr. Rodger Edwards, Spt of Woodridge schools, was present to ask that the trustees take into consideration building an all weather track for the school system at Woodridge High School.

Mr. Jack Rubin, president of the Booster Club, talked about the advantages of such a track. He stated that the Booster Club would be willing to help on such a project.

An architect for such tracks stated that same could be built at a cost ranging from \$116,000.00 to \$213,000.00. Work on same would have to begin as soon as school was out in the spring as the final cost would have to be put on in August.

Others speaking in favor of such a project were Tom Morehouse, Mr. Muscaro, John Krusinaki, Ray Brannon, and Jack Mercer.

~~MR. J. H. L. L.~~ asked if the school board ^{is aware} of this proposal. Mr. Edwards stated that they were and that the board is completely supportive of such a project.

Pat Ritzert is to get a ruling on the township providing such a project. The trustees and board would then meet and discuss same after a formal request has been made by the school board.

Mr. Lee Downey asked that the board purchase a road grader from him at a cost of \$8000.00. Mr. Johnston asked that he present specs on same for the next meeting.
