

RECORD OF PROCEEDINGS

June 20

Special

1981

June 20, 1981

A special meeting with the Boston Twp. Trustees and Woodridge Board of Education was held at the Woodridge Junior High School at 10:00 A.M. Present were Superintendent Roger Edwards, Board Members - Zimmerman, Montaquila, King, Hansen - Trustees - Fisher, Johnston, Broderick, Clerk Morgan and Legal Advisor Pat Rizert.

Purpose of the meeting was to discuss building three tennis courts on school board property with township funds.

The board felt that there too many legal matters to be dealt with before the project could begin.

Problems discussed were playing time for students and the public, fielding tennis teams for competition, parking facilities, insurance liability, and whether or not there is sufficient room for such courts.

The board was not in favor of school property being used for picnics in conjunction with the tennis courts.

Before approving the project, the board asked that they be furnished with a blue print of the proposed courts and that the land be surveyed to show exactly where such courts are to be constructed.

The meeting adjourned at 1100 A.M. with all present going out to look at where the courts are to be built.
