The regular meeting of the Boston Twp. Trusrees was called to order by Chairman Theresa Reinbolt at 7:00 P.M. to transact the business of the township. Present were Trustees George Fisher, Theresa Reinbolt, John Johnston, Clerk Morgan, Legal Advisor Robert Bulford.

The minutes of the previous meeting were read and approved.

The following bills were approved for payment:

Ohio Edison.....	100.81
J. Johnston.....	342.21
Lojeks.....	24.40
Wilson Feed Mill.....	231.00
Agnes Egleston.....	69.00

Mr. Fisher reported that the fire equipment had not arrived as scheduled. However, the new power tool was obtained. The department would probably obtain a new pumper in 1980.

Mr. Johnston had nothing to report on the cemetery board.

Mr. Johnston asked that the clerk write to the Summit County Engineer asking that something be done to the surface of Akron-Peninsula Rd. just south of Truxell Road. A stretch of about 150 feet becomes very slippery and is the scene of many accidents.

He, also, asked that a letter be written to Mr. Robert Hunker regarding his patrons parking on township property.

Mr. Saffles asked if something could be done on Keenan Rd. jsut as one turns off Route 8. He felt that the drop on the side of the road was dangerous. Mr. Fisher is to look at same.

It was noted that the truck is in the garage and should be ready for service on Thursday. In case of necessity, Mr. Szmanski stated that the village truck is available.

The meeting adjourned at 7:30 P.M.
