Mrs. Reinbolt asked that a letter be written to Mr. Kelsey, Boston Ski Area, regarding the traffic problems created by the art festival. In as much as another festival is scheduled for September, Mr. Fisher and Mr. Bulford are to meet with Mr. Kelsey regarding same. The traffic tie up would make it impossible for any emergency vehicles to enter this territory.

Mr. Bulford is to draw up the specifications for the police car and to advertise for bids.

Mr. Matusz stated that Kampers Unlimited is to be sent a notice of violation of zoning laws and if they do not comply, suit will file. Mr. Broderick asked whether or not companies are paying for signs erected in the township. HE said that his company does not wish to pay for signs if others are allowed signs without payment.

Mr. Broderick also asked that the township enter into the mosquito spraying program. The clerk stated that the spraying crew has already been in the township this year.

Mr. Gary Goldner, 4592 Northampton rd., Cuyahoga Falls, Ohio, asked what the trustees could do about making Northampton hill and part of Northampton Rd. safer for traveling. He stated that many accidents are occurring and that a fatality would occur unless something is done. He called Mr. Dubetz's office but was told to write his complaints in a letter. Mr. Goldner and the trustees felt that painting lines on the roadway and erecting signs on the hill showing a dangerous curve would be beneficial.
