Mr. Fisher is to check on the pole number for which a street light has been ordered. He believes that same is in Richfield township. Also, that he would want to see definite plans for a community center before any action be taken.

July 10, 1979, 7:00 P.M. has been set for the budget hearing on both the regular and federal revenue sharing budgets.

Action on the new contract for street lighting with Ohio Edison will be taken at the next regular meeting.

An estimate for automatic garage door openers for the front doors on the building housing the fire department is to be gotten by the clerk.

A motion by Johnston, seconded by Fisher, to hire Henry Cores to paint the inside of the fire department at a rate of \$3.50 per hour. Voting yes: Fisher, Johnston.

The cost of a spray gun was to be looked into.

Mr. Matusz was present and reported on activities at the Bernard Prussak residence on Boston Mills Rd. Supposedly, a rock and roll concert was held on his property with admission being charged. In as much as this is an residential section, such an activity is in violation. Mr. Matusz told him that future concerts would be in violation.
