The trustees were to look into painting the front entrance of the fire department building. Work has begun on the wooden building.

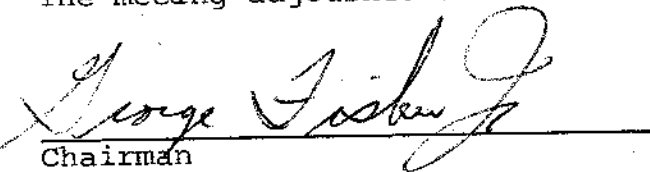

Mrs. Muldowney was present at the meeting to complain of the deserted buildings in the township, not only of their appearance but of the health hazard they are causing as being a harbor place for rats.

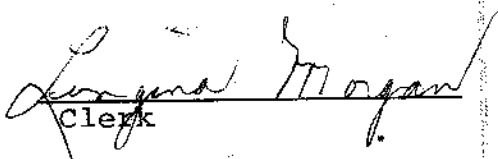

Mr. Bulford is preparing action to be sent to the Summit County Health Board against the park and their abandoned buildings and the nuisances they are becoming.

Mrs. Reinbolt told of talking to Mr. Craig, professor of law at Kentucky regarding bringing a law suit against the park for failure to adhere to the regulations as written in the law creating the park. She definitely feels that the trustees should sue the park for these violations.

Mr. Bulford will have definite information on same at the next meeting.

The meeting adjourned at 8:45 P.M.
