The regular meeting of the Boston Twp. Trustees was called to order by Chairman George Fisher, Jr., at 7:30 P.M. to transact the business of the township. Present were Trustees George Fisher, Jr., Theresa Reinbolt, John Johnston, Clerk Morgan and Legal Advisor Robert Bulford.

The minutes of the previous meeting were read and approved.

The following bills were approved for payment:

Mr. Bulford reported that the only way to receive federal funds for painting the wooden building would be to have the building be declared a historical sight. This process would require some time. Another source would be the Federal National Park Service funding. The trustees agreed that federal funding would take too long and that the building needed painting now.

A motion by Fisher, seconded by Reinbolt, to accept the bid of L. Lignos & Son to ~~build~~ the buildings (copy attached). Voting yes: Fisher, Reinbolt, Johnston.

A motion by Fisher, seconded by Reinbolt, to pay Peninsula Village \$10, 187.50 for the second quarter of police protection for the year 1978. Voting yes: Fisher, Reinbolt, Johnston.

Mrs. Reinbolt reported that she had done considerable research on the Cuyahoga Valley National Park and its failure to abide by its plan as submitted to Congress. She asked if the trustees could sue the federal government to protect the people in the valley. The question is whether or not the trustees can legally spend money to bring about such a suit. Mr. Bulford is to check into same.

Mr. Bulford reported that he had received a phone call from Sirpillo's lawyer expressing the violations by other businesses on State Route 8. Mr. Bulford informed him that the trustees are now in the process of informing these businesses of these violations and that action will be taken against them if same are not corrected.

Mr. Fisher moved and Mr. Johnston seconded the approval of the budget for the year 1979:
