Dan Szymanski was instructed to paint all posts on the township signs black and to prepare the grounds for Memorial Day. A large hole on Morris Drive between the Gray and Brotzman residences is to be taken care of.

Mr. Bulford was informed to withdraw \$30,000.00 of the \$60,000.00 in a special fund with First National Bank of Akron so that there would be sufficient funds to pay the Valley Fire District and Peninsula Village on contracts.

A motion by Fisher, seconded by Johnston to pay John Szalay, Jr., 4 hours road work and John Szalay, Sr. 28 hrs. Voting yes: Fisher, Johnston.

Mr. Bulford is to draw up a resolution opposing consolidation with Northampton Township. The motion was made by Fisher, seconded by Johnston. Voting yes: Fisher, Johnston.

Terry Montaquila was present to air several gripes. Being the only builders supply dealer in the township, he felt that he was entitled to the limestone business of the township. He also felt that the trustees were wrong to ban parking on the township grounds to those outside the village and township. He stated that other towns and villages all had "Welcome" signs and we were turning them away. He felt strongly that the excursion train should be allowed to stop in the village or the township. He was told that a petition requesting that the train be allowed to stop would be honored.

Bids on road work were received from Allied Bituminous Co., Ajax Bituminous Paving, Inc., and Superior Asphalt and Oil. Copies of same are attached.

After studying the bids, Mr. Fisher moved and Mr. Johnston seconded that the bid of Superior Asphalt be approved. Voting yes: Fisher, Johnston.

The meeting adjourned at 9:00 P.M.
