A letter was received from the Engineers Office stating that the bridge on Riverview Rd. in Everett would be closed as of March 13, 1978, until August 1978. to install a new bridge.

Mr. Figler was present at the meeting asking why the bridge on Wheatley Rd. had to be closed at the same time as the one on Riverview Rd. She felt that it would be to everyones benefit to wait until the Riverview Rd. bridge was finished. The trustees were to confer with Mr. Bulford as to whether or not an injucition could be taken preventing the Engineer from working on the Wheatly Rd. bridge until the one on Riverview is completed. The trustees have long been concerned that township residents are being withheld from services due them because of the closing of bridges.

Mr. Bulford was to be asked to draw up resolutions for transferring \$6000.00 into the police fund and \$5,000.00 into the road and bridge fund from interest on in eritance in the general fund.

The nest regular meeting of the trustees will be held March 21, 1978, instead of March 28, 1978.
