The regular meeting of the Boston Twp. Trustees was called to order by Chairman George Fisher, Jr., at 7:00 P.M. to transact the business of the township. Present were Trustees George Fisher, Jr., Donald Carpenter, Clara Muldowney and Clerk Morgan.

The minutes of the previous meeting were read and approved.

The following bills were approved for payment:

Ohio Edison Co.....	69.52
East Ohio Gas. Co.....	62.74
McCourt Const. Co.....	131.20
Superior Asphalt.....	1027.00
Falls Flag and Banner.....	112.90
Bolin Oil Co.....	210.27

The annual bridge report was received from the Summit County Engineer's department.

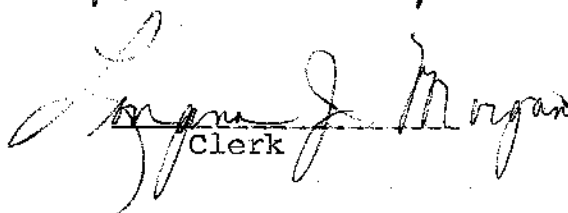

Mr. M. J. Griffith, Oak Hill Rd., was present at the meeting as a representative of the Cuyahoga Valley Home Owners and Residents Association. He stated that his newly formed group was interested in getting better information for residents of the effect of the park on them. His group was in opposition to the tax bill #318 before the house in Columbus in which those residents who had sold their property to the park would now have to pay property taxes.

The trustees had been in favor of this bill as originally written. However, Mrs. Muldowney stated that an amendment had been made to the bill in which park personell living in the park would be exempt from such taxes. For this reason she said she was not in favor of the bill as it now read.

No definite action against the bill was taken by the trustees. However, they stated that they would be willing to cooperate with the organization in helping seek accurate information.

The meeting adjourned at 8:30 P.M.
