Held

April 26, 1977

19

The regular meeting of the Boston Township Trustees was called to order by Chairman George Fisher, Jr., to transact the business of the township. Present were Trustees George Fisher, Jr., Donald Carpenter, Clara Muldowney, Attorney Marvin Manes, and Clerk Longina J. Morgan.

The minutes of the previous meeting were read and approved.

The following bills were approved for payment:

East Ohio Gas Co.....115.69

A motion by Muldowney, seconded by Carpenter to pay Robert Dent for 67½ hours of labor. Voting yes: Fisher, Carpenter, Muldowney.

A letter was read from Hudson Twp. Trustees in which they had asked for help from the Engineer's office in repairing Sullivan Road. The Trustees agreed that the township's portion of Sullivan Road should be taken care of by Hudson Twp. as in past years.

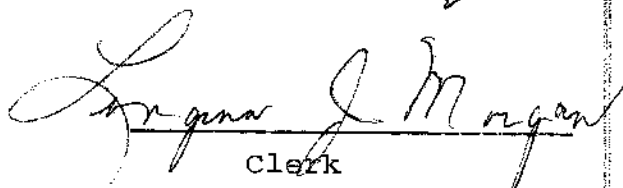

Mrs. Muldowney stated that Anita James on Stine Road had requested a street light near her property. Mr. Fisher agreed to check the pole number nearest her home for installation of a street light.

A letter was read from Mr. Karl Rohrer. He asked what services the township provides its residents and why no replacement had been built for the destroyed covered bridge. Mrs. Rohrer later attended the meeting and was told that all efforts to have a bridge constructed across Furnace Run had been in vain due to a controversy between the Engineer's office and the C. V. National Park Board. The trustees asked the clerk to write to Mr. Dubetz, Smt Cty Eng., asking him to attend the May 10th, 1977, meeting of the trustees to discuss same. In order to provide residents on the west side of Furnace Run with fire, police and rescue, Mrs. Rohrer was informed that the Trustees have mutual aid with neighboring townships and villages to provide her with these services until our departments can reach her.

Mr. Manes stated that that the revised code states that the inheritance money to be received from the Galen Roush estate must be put into the General Fund. The township can put this money into Federal, State or City Municipal bonds. Mr. Manes will make further studies into same so that the money received can be invested as best serves the township.

The meeting adjourned at 8:45 P.M.
