Representatives from the Health Department explained the department's plan for mosquito spraying. They stated that in no way would animals or wildlife be hurt by the spray. The Health Department has requested the Summit County Prosecutors office to rule on any liability which might occur because of the spraying.

A letter is to be sent to the Summit County Engineer's Dept. asking why their department should not pay for spraying on county roads.

The general revenue sharing report for the period from July 1, 1976, to Dec. 31, 1976, is to show funds will be used to purchase a truck.

A motion by Carpenter, seconded by Fisher, to accept sealed bids on a truck up to 7:00 P.M. on July 8, 1976. Voting yes: Fisher, Carpenter, Humphrey. (Copy of specs attached)

The clerk was instructed to pay Peninsula Village for the one month due on the fire contract which expired April 30, 1976. Also, Donald Reinbolt was to be paid for his four months as fire prevention officer.

Mr. Humphrey told of complaints of parking on Stine Rd. on April 29, 1976, making it extremely difficult for residents on Stine Rd. to get out of their drive ways. Mr. Burroughs of the Peninsula Police Dept. was called in and was told that No Parking signs would be erected and that violators should be towed.

Mr. Humphrey moved the adoption of the following resolution:

Whereas, the Akron Metropolitan Park System has asked for additional millage to maintain existing parks and purchase more land for future use,

Therefore, be it resolved, that the Boston Twp. Trustees go on record as opposing the proposed millage in as much as Boston Twp. property owners are already suffering great loss in tax revenue with the formation of the Cuyahoga Valley Recreational Area and should not be burdened with Additional park revenue.
