The Regular Meeting of the Boston Township Trustees was called to order at 7:30 P. M. by Chairman, George Fisher, Jr., to transact the business of the Township. Present were George Fisher, Jr., Donald Carpenter, Richard Humphrey and Clerk, Longina Morgan.

The minutes of the previous meeting were read and approved.

The following bills were approved for payment:

Loyke - 29.64 *Chas Edwards - 898.00*
Wing Hbr - 5.98
Ruth Lector - 9.50
East Chas Hbr - 56.49

A letter was received from NEPCO stating that NEPCO and GOF were working together on the study of the periphery of the Cuyahoga Valley Park. A motion was made by Humphrey, seconded by Fisher for the Boston Township Trustees to join NEPCO in this study, cost of which would be \$152.28 to the Township. Voting yes, Fisher and Humphrey. Voting no, Carpenter.

A notice from the Boston Township Zoning Commission was received with the recommendation of rezoning property on Akron-Peninsula Road. However, the Trustees were unable to set a date on this hearing because of lack of information. A map and description of properties to be rezoned is necessary before the Trustees can set a zoning date hearing. Mr. William Birdsell of the Cuyahoga Valley Park was present and showed his concern over the Zoning Commission's request to rezone property in the National Park from residential to business/recreation. He hoped that the Trustees would give the matter serious consideration before voting to accept the Zoning Commission's request.

The Sheriff's report was received.

Purchase of cinders and other material for winter was postponed until the next meeting.

The meeting adjourned at 9:00 P. M.
