The regular meeting of the Boston Township Trustees was called to order at 7:30 P. M. to transact the business of the Township. Present were Chairman, George Fisher, Jr., Richard Humphrey, Donald Carpenter and Clerk, Longina Morgan.

The minutes of the previous meeting were read and approved.

The following bills were approved for payment:

The Western Reserve Telephone Company	\$ 22.50
Beacon Journal Publishing Company	\$ 16.38
Ohio Edison	\$ 321.00
Superior Asphalt & Oil Company	\$12,107.23

Payment on a bill from General Medical of Akron was postponed until further information was available.

A representative from NEPCO was present regarding the study of the park periphery. The cost to Boston Township would be \$152.28. A decision was postponed pending a meeting of COG on October 8. COG also wants to represent these townships and our representative will be present at this meeting.

Mr. George Broderick of Boston Mills Road was present asking again that the speed limit on Boston Mills Road be reduced. He also asked the feasibility of a two-way stop sign at Hines Hill Road and Boston Mills Road. A request had been made with the Summit County Engineers regarding this speed limit in 1974. A letter was to be sent to Mr. Ralph Van Brimmer asking if anything had been done regarding reducing the speed limit.

A letter was received from Mrs. Mary Averill stating that gas drilling has been going on at the Krajci farm and that she felt that this was in violation of the Township zoning laws. Her letter was referred to Marv Mames for reply.

Total bills for road work submitted by Superior Asphalt & Oil Company totaled \$50,577.00. Inasmuch as our Road and Bridge Fund lacks sufficient funds to pay this total amount a motion was made by Fisher, seconded by Humphrey to adopt the following resolution:

WHEREAS after deducting from General Fund appropriations, the operating expenses for the remainder of the year 1975, there will remain a balance of \$20,000.00 in said fund,

THEREFORE be it resolved that the sum of \$20,000.00 which is part of the appropriated money of the General Fund be transferred to the Road and Bridge Fund.

BE IT FURTHER RESOLVED that the Prosecuting Attorney of Summit County be requested to prepare an application to the State Board of Tax Appeals and to the Court of Common Pleas of Summit County, Ohio, for authority to make such transfer as provided in Section 5704.14 to 5705.16 inclusive of the Revised Code of the State of Ohio.

Voting yes, Fisher, Carpenter and Humphrey.

The meeting adjourned at 9:00.
