The regular meeting of the Boston Township Trustees was called to order by Vice Chairman, Donald Carpenter to transact the business of the Township. Present were Donald Carpenter, Richard Humphrey and Clerk, Longina Morgan.

The minutes of the previous meeting were read and approved.

The following bills were approved for payment:

The Township Trustees agreed to support the development of emergency medical services system for the Akron SMSA.

A letter from Ralph VanBrimmer stated that the speed limit on Geopfert Road, Keenan Road, Whaley Road, Center Street, Morris Drive and Woodland Drive had been reduced to 25 miles per hour. However speed limits on Barlow, Sullivan, Stine, Wheatley and Scobie Roads were not reduced. However the Trustees are to appeal to Mr. VanBrimmer again stating that since the original request was made many changes have taken place, such as traffic to the Coliseum and the newly created Cuyahoga Valley National Park. Another letter from Mr. VanBrimmer stated that Oak Hill Road would be repaired. However, he felt that the Trustees had not properly maintained the road since the water line had gone in. Mr. Humphrey was to contact Mr. VanBrimmer regarding same.

A motion was made by Carpenter, seconded by Humphrey to adopt the following resolution:

WHEREAS Parking on the Township portions of Major and Stine Roads make traveling hazardous and sometimes impossible for motorists;

THEREFORE BE IT RESOLVED That the Boston Township Trustees under Ohio Revised Code 4511.66 to 4511.68 prohibit all parking on the Township portions of Stine and Major Roads on both sides at all hours of the day.

Voting yes, Carpenter and Humphrey.

A letter is to be written to the Ravenna Post-Division 4 asking that a traffic light be erected at 303 and 271 on Stine and Major so that traffic can move more easily there.

The meeting adjourned at 8:30 P. M.
