A motion by Humphrey, seconded by Fisher to appoint Bertha James to a five year term on the Zoning Board of Appeals expiring June 3, 1979.

A public hearing on the 1975 budget was set for July 3, 1974 at 8:00 P.M.

A letter from Adeline Johnston, Robt Valasmaff and Edw Kube submitting their resignation from the township zoning commission. Reasons given were lack of [illegible] cooperation, blamed for high cost of appeals, felt Donald Jackson was not reappointed because of Rt 8 rezoning.[illegible] A meeting was set for June 13 for the zoning commission, zoning board of appeals and township trustees. The meeting was later changed to June 14, at 8:00 so that Marvin Manes could attend. Mr. Humphrey was to reply to their letter.

Mr. Manes is to inquire whether or not the Bastan Mills Rd property is tax exempt. If not, trustees felt it should be turned over to park.

Jo Frederick of Bastans Mills Rd complained of high rate of speed on the road. The clerk was to write the county engineer asking that the speed limit be reduced to 40 mph and 25 mph on the hills.

Mr. Fisher explained to those in attendance regarding the water line from Riverview, Everett, Oak Hill, Major and Stine Rd to the village. Residents would be allowed to tie into the line with an approximate cost of $7.00 per foot for 100 ft frontage, debt of 13½ to sewer and water cost at 60% over Akron users. Fire hydrants will be installed along the route. The majority of those in attendance seemed to favor tying into the line. Before any agreements are signed, Trustees will be sure that all residents have copy of contract to study.

Several residents on Stine Rd were present to protest the sewer line on Stine Rd from the village to the Cuyahoga River. Mr. Garrett stated that a group called the Peninsula Protective Assoc. had been formed to protect the interests of the people in the valley. Mr. F Haigley, as chairman of the group, stated the Peninsula Council had passed a resolution fighting the sewer line and allowing $1000 for courts costs. Mr. Haigley stated that the sewer line was for the benefit of Miletl only and not for the common good of the people. He asked the trustees support inthe Assoc fight against the sewer line.

The Trustees stated they would not go to court, but Mr. Humphrey moved the adoption of the following resolution:

> The Boston Township Trustees do hereby resolve that we oppose the construction of the sewer line in the township portion of the proposed sewer line on Stine Rd.

Mr. Fisher seconded the motion. Voting yes, Fisher Carpenter, Humphrey.

The meeting adjourned at 9:45 P.M.
