The regular meeting of the Boston Twp. Trustees was called to order by Chairman George Fisher, Jr., at 7:30 P.M. to transact the business of the township. Present were Trustees George Fisher, Jr., Donald Carpenter, Richard Humphrey, and Clerk Morgan.

A letter was read from Mr. Nye regarding the Cuyahoga Valley Park. He stated that he would be most willing to meet with the trustees. Mr. Humphrey is to prepare an answer to his letter.

Mr. Carpenter attended the budget hearing for 1974 and presented same. However, approval was tabled as Mr. Humphrey desired further information on same.

A motion by Humphrey, seconded by Carpenter, to purchase \$1000.00 worth of cinders from Frank Elze. Voting yes: Fisher, Carpenter, Humphrey.

Mr. Bob Schmidt of the Area Progressive Board was present to discuss possible rezoning of Rt 8 to Industrial. He suggested that he and our officials meet with Tri-County so that good guide lines can be formed for our zoning laws. Such a meeting is to be set up.

Mr. Hunker was present and asked just what was meant by Authorized Parking on township grounds. He was told that it meant people having business in any of the buildings. Mr. Hunker feels that the sign and chain were placed there to prohibit parking by his employees and patrons. He also said that the trustees were supposedly saying that he was barred from parking because he would not help pay for the maintenance of the parking lot. He also stated that he was being accused of never contributing to the village or township. He presented a bill showing that he had paid \$2800.00 for plans for the maintenance building. The trustees were unaware of this and stated that he should be given credit for same.

After some discussion, the trustees agreed to remove the 'No Parking' ban and Mr. Hunker agreed to pay \$150.00 per year for the use of the grounds for his parking as needed.

The meeting adjourned 10:00 P.M.
