The term of Donald Jackson expired September 4, 1973, on the Boston Township Zoning Commission. The trustees tabled appointment until later date.

The clerk was instructed to write to Mr. Bishop, Clerk of Peninsula Village, informing him that the trustees are receiving complaints that the street light at the corner of Major & Riverview has been out and that he would act to have same taken care of.

The trustees have just acquired a copy of "Final Environmental Statement on Cuyahoga River Valley Acquisition", put out by Lake Central Regional Office, Department of Interior, Ann Arbor, Michigan.

This report includes a letter from Cuyahoga Valley Heritage Association dated December 16, 1972. Many other environmental agencies also are listed as having received copies of this report. No township or village involved in the report received any information on this report. The trustees are very much disturbed that no government official, who is supposed to be our representative, ever sees to it that we receive such information.

The clerk was instructed to write Governor Gilligan complaining that no representative takes care to see that we are informed as these things happen. Carbon copies of this letter are to go to Francis Seiberling, Charles Vanik and William Nye.

Revenue sharing to be published in Akron Beacon Journal with money to be used for Financial Administration.

A motion by Humphrey, seconded by Carpenter, to allow hiring of extra clerical work at a rate of \$3.50 per hour.

Voting yes: Fisher, Carpenter, Humphrey
