A special meeting was called to order by Chairman George Fisher, Jr., at 7:30 P.M. for the purpose of discussing road conditions. Present were Trustees George Fisher, Jr., Donald Carpenter, Richard Hamprey and Clark Louisa J. Morgan.

Route 303 near the cemetery in Peninsula has been closed for repair work. Traffic is detouring on Stine and Major Rds. in the township.

In as much as the township is also doing repair on these two roads, although work has been hampered by bad weather, the increase in traffic is making conditions much worse.

Fisher moved the adoption of the following resolution:

Whereas, State Route 303 has been closed in Peninsula for construction work, and

Whereas, traffic is using Major and Stine Rds. for detouring,

Therefore, be it resolved, that Major and Stine Rds. be barricaded to through traffic, other than those residents living on same roads.

Carpenter seconded the motion. Voting yes: Fisher, Carpenter, Hamprey.

The meeting adjourned at 8:00 P.M.
