A letter from State Senator Oliver Coasek was read in which he stated that he was not in favor of specific provisions of House Bill 55. He did not believe that township trustees and such members should not be included in such an act, but that it should apply to State Legislators, cabinet members and similar officials.

The trustees agreed to send Mrs. Clara Muldowney to the seminar sponsored by Sat City Council of Governments on HUD on May 17, 1973.

The clerk was told to write the Summit County Council of Governments stating that the township would be willing to pay their dues when the Council will tell them just what benefits the township will derive from the organization. To date the trustees feel that no benefit has been derived.

A letter from the Bosten Twp. Zoning Commission states that a public hearing will be held on May 10, 1973, at 8:00 P.M. to vote on various changes in the zoning laws.

The trustees were in favor of taking a straw vote on primary election day as to whether or not voters in the township are in favor of a state or national park in the Cuyahoga Valley.

The meeting adjourned 8:45 P.M.
