A special meeting was called to order by Chairman George Fisher, Jr., at 7:30 P.M. to discuss dedication of Seebie Rd. in Borton and Richfield Twp. Present were Borton Twp. Trustees - George Fisher, Jr., Donald Carpenter, Richard Humphrey, Richfield Trustees - Paul Feiber, Richard Haack.

J. A. Mayer was present and explained what would have to be done to the road. Besides ditching, some trees would have to be cut down. However, wherever possible, only branches impeding the work would be cut. The cul-de-sac at the end of the road would have to be made larger in order that school buses could turn around.

Mr. Frank Smith of the Summit County Engineering Dept. had prepared a map of the road and proper papers for residents on Seebie Rd. to sign.

When all persons owning property on Seebie Rd. have signed and had their signatures notarized, The Richfield and Borton Twp. Trustees will then pass resolutions accepting Seebie Rd. and will then continue to maintain. Summit City Commissioners will then pass on the resolutions.

Persons signing are listed below.

The meeting adjourned 8:30 P.M..
