Regular

Meeting

Her Printing Co., Cals., G. Form No. 20004

Columbian Blank Book Co., Cals., G. Form No. 1080

Held

April 21, 1971

19

The regular meeting of the township was called to order by Chairman George Fisher, Jr., at 7:30 P.M. to transact the business of the township. Present were Trustees George Fisher, Jr., Donald Carpenter, Richard Humphrey, Hwy Spt. Edward Hodge and Clerk Longina Morgan.

The minutes of the previous meeting were read and approved.

The following bills were approved for payment:

Ohio Edison Co.....38.00
J. A. Mayer Co..... 453.62

A motion by Humphrey, seconded by Fisher, to purchase new outdoor flags for township grounds. Voting yes: Fisher, Carpenter, Humphrey.

A motion by Fisher, seconded by Carpenter to hire two boy scouts for 5 hours, at \$100 each per hour, to clean up the township grounds. Voting yes: Fisher, Carpenter, Humphrey.

The clerk read a letter from Judge Koplin's office stating that the petition against park plans had been received.

The clerk stated that the Town Hall with county officials had been set for June 17, 1971, at 7:30 P.M. at the town hall.

The trustees had been consulted about a huge pile of dirt on Whaley Rd. In as much as this dirt had been piled there by Ohio Edison Co., the trustees felt that same should be taken care of by them.

It was noted that all papers were complete for the proposed fire building. Same are to be taken to the First National Bank of Akron on Friday to start loan proceedings.

Edw. Hodge stated that signs are being obtained for Main St. in Boston and Quick Rd. The trustees also asked him to put top soil in the turnaround on Woodland Drive.

The trustees also instructed him to purchase 60 Tons of #1 limestone and 40 to 50 ton of #19 limestone from Terry Lbr. & Supply Co.

David Bell of Oak Hill Rd. was present and asked the trustees about lessening the width of roads in the township. He felt that more money could then be spent on the less wider roads and putting them in better condition. He also felt that the speed on the less wider roads could then be reduced. The trustees felt that this was not feasible and that roads would have to be left at the now existing widths. However, they did instruct Hodge to repair damage done to Mr. Bell's property in putting up snow fence.

Mr. Bell felt that zoning could be improved by requiring larger lot sizes. This would be especially true of the Oak Hill section. Mr. Humphrey stated that he would be willing to appear before the zoning commission with Mr. Bell on this suggestion.

Donald Carpenter moved the adoption of the following resolution:

WHEREAS, plans for a truckwarehouse have been proposed for W. Barlow Rd. and

WHEREAS, the section of West Barlow Rd. in Boston Twp. which would be used for entrance to the truck warehouse is not suitable for the size of the trucks which would use this road,

THEREFORE, BE IT RESOLVED, that the Boston Twp. Trustees request of the Summit County Engineer's Dept. that the load limit on this road be reduced.

The motion was seconded by Humphrey. Voting yes: Fisher, Carpenter, Humphrey.

A copy of the resolution is to be sent to Ralph Van Brimmer, Smt City Engineer.

RECORD OF PROCEEDINGS

Only one bid was received for road work.
A motion by Fisher, seconded by Humphrey, to accept the bid of Superior Oil and Asphalt Co. of Akron for road work as follows:
\$.215 per sq yd for MC300 liquid asphalt and limestone, brooming and rolling to be included.
\$.19 per gal. for SC70 road oil.
All materials to meet current Ohio Highway specifications.
Voting yes: Fisher, Carpenter, Humphrey.

The clerk submitted the bridge report from The City Engineer.

Mr. Humphrey presented a check from Peninsula Players in the amount of ten dollars for the use of the town hall for practice purposes.

The meeting adjourned at 9:00 P.M.
