Several member of Boston Twp. were present to voice their disapproval of the trustees decision to contract for police protection for 1971 with the Peninsula Village.

Seward Averill stated that if this contract were to be entered into, he would initiate a petition for a referendum asking that the 3 mill police levy passed in November be withdrawn.

Tom Jones of Tawzin Park stated that he was very much against the plan and wondered what affect it would have in burglary insurance rates.

Jack Muldowney was against the merger and felt that the most benefit in police protection could be derived from the Summit County Sheriff's Department.

Kenneth Baums expressed his objection to special meetings being held by the Trustees. He also resigned as assistant zoning inspector for the township.

Charles Truxell felt that the levy had been passed by the people of Boston Twp. with the idea that protection would continue to be provided for by the Summit City Sheriff Dept.

Robert Valcanoff felt that the protection from the Smt City Dept. could not be equaled by the Peninsula Police Dept.

Tom Jones and Jack Muldowney asked that the trustees not gamble with the health, welfare and the safety of the people in the township.

A special meeting will be called to continue the discussion of police protection.
