The regular meeting of the Boston Twp. Trustees was called to order by Chairman George Fisher, Jr., at 7:30 P.M. to transact the business of the township. Present were trustees George Fisher, Jr., John Chessar, Donald Carpenter and Clerk Longina Morgan.

The minutes of the previous meeting were read and approved.

The following bills were approved for payment.

A motion by Fisher, seconded by Chessar, to allow \$75.00 for expenses to Fire Prevention Officer Don Reinbolt for convention expenses.

John Chessar read a letter he had written to Ben Lahoski, Tecumseh Corr. Box Co. regarding a culvert under the towpath which is not large enough to take the overflow from the creek along Stanford Rd. Flooding from this creek has caused much damage to residents' property and homes in this area.

The clerk was instructed to write Ohio Dept. of Highways, Division 4, Ravenna, Ohio, explaining the situation and asking them if they can be of any help in alleviating the condition. The trustees felt that the construction of #8te 271 has added considerably to the conditions of flooding.

Carbon copies of the letter were to be sent to John Chessar and Tecumseh Corr. Box Co., Tecumseh, Michigan.

The trustees noted that the next regular meeting will be held July 8, 1970 at 7:30 P.M., with a public hearing on the 1971 budget to be held at 8:00 P.M.

The meeting adjourned at 8:30. P.M.
