Mrs. Max Ratner was present at the meeting and explained plans for a proposed nursery school for three and four year olds. She asked permission of the trustees to use the town hall. The trustees were willing to allow the upstairs rooms to be used for such a purpose with the trustees painting and cleaning up the rooms. However, with no heat and no fire escape in the upstairs, it was doubtful that it would be approved for such a project. The trustees stated their unwillingness to allow the main downstairs room to be used for this purpose. Mrs. Ratner was told to go back to her group and explain the circumstances and then reappear before the board at a later date.

A motion by George Fisher, seconded by Chessar, to pay the Richfield Arrets \$25.00 for their services on Memorial Day. Voting yes: Fisher, Chessar.

Chessar moved that Clark Morris be reappointed to the Zoning Board of Appeals to a five year term ending June, 1975. Fisher seconded the motion. Voting yes: Fisher, Chessar.

The clerk was instructed to write Marvin Hanes asking him again to return the Guyahoga Valley project book which the trustees loaned him.
