Mrs. Albert Ritch and Mrs. Lida Essider of Woodland Drive and Mrs. Charlotte Davis of Hines Mill Rd. were present and asked when they could expect the roads to be swept as they could not begin their cleaning until same was done. The trustees instructed Edw. Hodge to begin sweeping the first day that weather permitted. Mrs. Ritch also asked if any consideration had been given to using salt instead of cinders on the roads. She was told that inquiry on same had shown that salt is too destructive to the type of roads in the township, and that storage problems proved it not feasible. Hodge was also instructed to see that a catch basin was installed on Hines Mill Rd. near the Davis residence.

John Chessar moved that the trustees permit the Asplundh Tree Co. to cut down two elm trees on the township property with no charge being made. Carpenter seconded the motion. Voting yes: Chessar, Fisher, Carpenter.

Chessar moved that the trustees purchase a 1967 used Ford truck from Biro Body Co., Peninsula, Ohio, for \$950.00 (with repairs to be made later). Fisher seconded the motion. Voting yes: Chessar, Fisher, Carpenter.
