Mr. James Steffner of Fairview Park, representing the Cleveland Area Council of Sports Car Clubs as its secretary, was present at the meeting and asked to state his organizations position on sports car rallies. His organization is made up of about 25 clubs from the Cleveland and Akron areas. All clubs are incorporated, cars are insured and inspected for safety and are bound to stay below road speed limits. He felt that the trouble involved cars from unorganized clubs.

The trustees stated that they do not condone rallies but discourage them. However, if these rallies are held within the limits of the law and did no property damage, no law enforcements could be made against them. Mr. Steffner asked that the number of the sports club doing the offending be obtained and relayed to him. Then action could be taken against these clubs at the organizations meeting. They also stated that these rallies would avoid roads on which most complaints were made.

Also, present were Ed Guild and Mrs. Smith, representing Parma Clubs.

The clerk was instructed to write to the Ohio Edison Co. regarding the removal of a bright light for a less illuminating one near the residence of Mrs. Ruth James on Boston Mills Rd.

A motion by John Chessar, seconded by Carpenter, to pay the first installment on the police contract with the Sgt. City Sheriff's Dept. of \$1625.00. Voting yes; Chessar, Carpenter.

The attached proposal by the Boston Twp. Zoning Commission was read and the following motion was made by George Fisher: that a hearing date of April 1, 1970, at 8:00 P.M. be set, to coincide with the regular meeting of the trustees and be so advertised. The motion was seconded by Chessar. Voting Yes: Fisher, Chessar, Carpenter.
