The regular of the meeting of the Boston Twp. Trustees was called to order by Chairman John Cheasar at 7:30 P.M. to transact the business of the township. Present were Trustees John Cheasar, Donald Carpenter, Highway Spt. Edw. Hodge and Clerk Longina J. Morgan.

The minutes of the previous regular meeting and the special meeting of Feb. 2, 1970, were read and approved.

The following bills were approved for payment:

Terry Lumber & Sply Co.....	22.22
Fuelgas Corp.....	859.00
Twins Mower Sales.....	6.00
Boston Oil Co.....	126.46
Ohio Edison Co.....	212.00
Stever Auto Spring.....	29.72

A motion by Donald Carpenter, seconded by John Cheasar, was made to pay Edward Hodge for 25 hours emergency wages. Voting yes: Cheasar, Carpenter.

Several residents of Morris Acres were present to complain about the amount of cinders used on their road. Mrs. Evelyn Ritch stated that she would much prefer salt be used and that Mr. Hodge approach the turnaround near her home from the opposite way from which he enters. She was told that it was not feasible to plow the road from the oppositedirection. Also, the trustees felt that salt was not the solution as there is no storage place for same on township property and they wondered whether or not it would be harmful to the type of roads in the township. However, the trustees agreed to look into the salt situation.

Residents with children in the allotment want the road to continue to be cindered for the protection of the children who ride the school bus.

The residents also commended Edward Hodge on the good work that he has done keeping the road open during the past years.

As soon as weather permits the trustees promised that the cinders will be swept from the road and until then care would be taken not to spread as many cinders as in the past.

A motion by John Cheasar, seconded by Carpenter, was made that Fuelgas Corp. of Hudson be paid \$859.00 for the gas heaters installed in the garage.

The meeting adjourned 8:30 P.M.
