A revised insurance from Lutz Insurance Agency, Cuyahoga Falls, Ohio, was discussed. However, since same is not due until Mar. 15, 1970, any action was tabled.

The clerk read a letter from William Cunningham, Supt. of Hudson Public Schools regarding a request from Mr. Ash of 186 W. Barlow Rd. for a bus turnaround on the property of Mr. Baich at 201 W. Barlow Rd. He asked that the trustees consider providing the labor and equipment for such a project. He also stated that the Hudson Board of Education had approved an expenditure of a maximum of \$100.00 for materials for this project.

The clerk was instructed to write Mr. Cunningham stating that the trustees desired a letter from Mr. Baich requesting this turnaround and that the Hudson Board of Education stand the cost of materials used with the Boston Twp. Trustees providing the labor and equipment and supervising the work to be done. Mr. Cunningham was to contact Mr. John Chessar if there were any further questions.

Paul Wright reported that he had measured the mileage to be covered by the 'No Parking' ordinance passed by the Trustees and he stated that a total of 204 signs would be necessary to cover the entire area. However, he felt that all of this mileage need not be posted and he would inquire further into the matter.

The clerk was asked to provide balances available in all appropriations for 1969 at the next meeting.

The meeting adjourned at 8:15 P.M.
