The regular meeting of the Boston Twp. Trustees was called to order by Chairman Geo. Fisher, Jr., at 7:30 P.M. to transact the business of the township. Present were Trustees Geo. Fisher, Jr., John Chessar, Charles Truxell and Clerk Longina Morgan.

The minutes of the previous meeting were read and approved.

The following bills were approved for payment:

Superior Oil and Asphalt.....	4491.88
M. T. Sorensen.....	36.20
Ohio Edison	22.13
Rigelow Motor Co.....	13.16
Karl Ives Equip. Co..	27.11

It was noted that work on the roads was almost completed, and that Wetmore Rd. would be oiled instead of tarred and chipped.

The Board of Elections was granted the use of the town hall for registration purposes on Sept. 22, 23 and 24 from 11:00 A.M. to 9:00 P.M.

George Fisher reported that Rev. Stahl of Boston had asked whether or not the Trustees would furnish shrubbery for the triangle in Boston in order that the land might be improved in looks. The Trustees postponed a decision in order to find out who owned the property.

Mr. Kassa, 5398 ~~Chew~~ - Akron Rd., was present at the meeting and asked assistance from the trustees in getting drainage from neighboring properties from flowing onto his property. He stated that this was caused by the ditches being filled in. The trustees agreed to look into the situation.

John Chessar reported on a complaint from Vernon Boodey regarding the ditches along his property. The trustees agreed to take care of these ditches by either tiling and covering, or by cleaning out and filling with top soil and seeding.

Regarding zoning, Charles Truxell thought that the Zoning Commission should provide in the code for a Certificate of Occupancy in the non-conforming variance.

The meeting adjourned at 8:30 P.M.
