Hodge reported that all roads in the township have been oiled and chipped with sealing to begin Thursday, August 7th.

Truxell moved the adoption of the following resolution:

BE IT RESOLVED, that the Boston Twp. Trustees respectfully request Sheriff Robert Campbell to give serious consideration to the elevation of Sergeant Paul Wright to the rank of lieutenant and as such that he head up the Boston Twp. police force.

The motion was seconded by Fisher. Voting yes: Fisher, Chessar, Truxell.

It was noted that the Grange Hall is being painted as earlier planned.

A motion by Fisher, seconded by Chessar, to pay Edw. Hodge 30 hrs. emergency wages. Voting yes: Fisher, Chessar, Truxell.

Mr. Robert Hunker was present at the meeting to discuss parking on the township grounds. He stated that he had sufficient parking of his own available to his clients and did not need the township parking area. However, he felt that people do not observe signs and naturally used the nearest parking space available. He did resent the manner in which he stated the police force came to the GAR Hall asking people to move their cars or be towed. He felt that it was very embarrassing to his guests. The trustees felt the only solution to keeping the area open to the township equipment and fire trucks in case of an emergency was to chain off the driveway at night with keys to be given to those who have access to the grounds.

The meeting adjourned at 8:30 P.M.
