Mr. Allen Diefenbach and Mr. Harold Cain were introduced by Robert Bishop as the representatives of the proposed northern Summit County hospital which is planned for this territory. Mr. Diefenbach explained that the hospital would probably be located on Rte 303 in Hudson Twp. Deaconess Hospital of Cleveland would assist in establishing the hospital, set up for approximately 150 beds. The money for developing and operating such a hospital would have to come from an approximate 1 mil levy to be voted on by all approving districts. He also stated that he hoped industry and individuals would financially support the project. Also, that federal grants might be available. Mr. Truxell questioned whether or not the hospital would be open to osteopaths as well as medical doctors. It was stated that the original plans call for medical doctors at the beginning but may be changed.

In as much as the people of Peninsula Village are a part of Boston Twp., the Trustees asked that a joint meeting with Peninsula Council be held on Monday, May 26, 1969, at 7:30 P.M. to discuss the proposed hospital plan.

Copies of the minutes of public hearing and zoning commission meetings from January 1969 to May 1969 were presented. As some time would be involved in reading same, copies are to be made for each trustee.

A motion by Truxell, seconded by Chessar, that the Assets of West Richfield be asked to take part in the Memorial Day services of Boston Twp. and that a donation of \$25.00 be made to defray expenses. Voting yes: Fisher, Chessar, Truxell.

It was noted that the trustees and Edw. Hodge would meet at the town hall Sunday, May 25, 1969, at 10:00 A.M. with a representative from Superior Oil to go over the roads and decide what work is to be done.

A resolution by the County Commissioners was read in which they approved a disposal and refuse district for the county.

Mrs. Jack Mudlowney was present and asked that the Board send a letter to Gov. Rhodes expressing the trustees disfavor of anymore property in the township by tax free units. She stated that already too much land in the township is tax free and tax money for school use is lost. The resolution whereby the Trustees went on record as of May 23, 1968, not favoring the further acquisition of property be tax free units was read.

Charles Truxell moved the adoption of the following resolution:

WHEREAS, there are plans for the acquisition of much acreage in Boston Twp. for park uses,

BEFORE, BE IT RESOLVED, that the Board of Trustees of Boston Township is opposed to the acquisition of further property within the confines of the

township by any and all tax free purchasers, in as much as it is the feeling of this board that the township already has too great a share of the real estate within its confines owned by sanctioned tax free units and that further acquisition would render it impossible for the township to maintain necessary and fundamental services by reason of the loss of revenue and that the schools serving our district would be greatly hampered ~~and~~ their loss of revenue.

The motion was seconded by Fisher. Voting yes: Fisher, Chessar, Truxell.

Copies of same are to be sent to Morris Boyd, Oliver Deasek, James Hunt and William Nye, and Fred Neuenachwender.

The meeting adjourned at 8:30 P.M.
