The regular meeting of the Boston Twp. Trustees was called to order by Chairman George Fisher, Jr., at 7:30 P.M. to transact the business of the township. Present were Trustees Fisher, Chessar and Truxell, Highway Supt. Hodge, and Clerk Morgan.

The minutes of the previous meeting were read and approved.

The following bills were approved for payment:

Mobil Oil Corp.....	58.85
The Times.....	39.30
Fishers Service Store.....	19.11
Ohio Edison Co.....	30.21
M.D. Garage.....	109.80
Motorist Mutual Insurance Co.....	352.90

The clerk was instructed to write the following:

The State Highway Dept., asking them to designate which roads are to be haul roads in the construction of the interchange at 303 and Major Rd.

Ohio Edison regarding the delay in replacing the present street lights with vapor lights as contracted for last year with nothing being heard regarding same.

Dr. Martha Nelson, Summit City Health Dept., asking whether or not the health department could be of any assistance in helping the trustees get the R. Rager property on Akron - Cleveland Rd., and the Joe Banto property, Boston Mills Rd., cleaned up as they have become health hazards.

The S & O R.R. Co. regarding the condition of the crossing at Boston Mills Rd., (this is the second such request).

The East Ohio Gas Co., asking them whether or not it would be feasible to construct gas lines while work is being done at 303 and Major Rd. in order that the roads be not torn up again when gas is brought along these roads. (A carbon copy of same to be sent to the Richfield Trustees in care of James Schmidt.)

A Motion by Fisher, seconded by Truxell, was made to accept the bid of Hudson Tractor Sales, Hudson, Ohio, on a 1968 Ford Industrial tractor, loader and mower as per specifications with gasoline engine and regular PTO power take off at a cost of \$6232.25, less trade in of 1957 Ferguson tractor, mower and loader of \$767.25, total cost \$5465.00. Voting yes: Chessar, Fisher, Truxell.

The choice of this tractor was made as it is well known and approved in our area and the Hudson Tractor Co. is a well established business.

Supt. Hodge told of a request regarding a trailer sales business at Eeman and Rte 8. This property is zoned for business but it was not thought that same would be suitable for such a business because of the land condition and the lack of parking area.

The meeting adjourned at 9:00 P.M.
