

Board of Township Trustees

Minutes of Meeting Held May 18, 1961

A. D. 19

A meeting of the Board of Trustees of Boston Township was held on Thursday, May 18, 1961 with the following members present: Geo. E. Fisher Jr., G. L. Truxell and Vernon Boodey. Time 7 P.M.

The minutes as of May 5, were approved as read.

The following bills were approved for payment:

Fisher's Service store	22.74
Mayer Construction Co.	217.50

The Clerk reported the semi-annual apportionment of taxes had been received, and noted that there was some confusion on the Auditor's Financial settlement. An advance had been received earlier this year in which the Auditor had allotted \$500.00 for the General Fund and \$2000.00 for the Road and Bridge Fund. The Annual deductions by the Auditor shows \$2500.00 deducted from the Road and Bridge Fund and nothing from the General Fund. The Trustees suggested the Clerk wait for the next settlement before reporting the error to the Auditor.

The Clerk read a letter from the Prosecutor's Office in reference to the Bertech property waterway obstruction. After discussing the prosecutor's advice, Truxell questioned the responsibility of the Township for other than the confines of the highway. The Board felt more time should be had to check further for added information.

The Clerk read a Resolution from the County Commissioner's accepting the affidavit of A. P. Redella for the annexation of 316 acres of land to the village of Peninsula, from Boston Township. The Board felt that the people in this area would benefit by the annexation and had no criticism of the annexation.

It was moved by Truxell and seconded by Fisher to amend the original Appropriation of Boston Township by the Following Resolution:

Resolution to amend Original Appropriation:
WHEREAS, the General Fund of Boston Township has been increased in the amount of \$334.49.
THEREFORE, be it resolved the original appropriation Resolution be amended to place the amount of \$334.49 in the General Purpose Fund-Section A 9 Township Hall.

On Roll Call: Boodey voted Yes, Fisher, Yes, Truxell, Yes.

The yearly fire contract which was submitted by the Village of Peninsula was discussed. Truxell moved the Board accept the agreement as submitted which stated consideration for Fire Protection for the year would total \$1600.00. Boodey seconded the motion. Voting: Boodey, Yes, Fisher, Yes, Truxell, Yes. The original agreement is on file with the Clerk's Records.

The Trustees discussed the condition of the Township Hall roof (with that part which is the old frame building) and what could be done to repair the roof which would include gutters. Fisher stated he would attempt to get estimates.

Mr. Frank Sealey requested the Board trim the trees and brush on the property line of the Township property at the Town Hall. Boodey said Hodge would take care of this.

Hodge was instructed to pick up the two large drain pipes on Barlow Rd. and bring them to the Township yard, for these drains belong to the Township.

Holes on Barlow Rd. will be filled with cold patch mix by the road man. The Board approved the purchase of approximately 4 ton of cold patch mix.
