Mr. Hayes of Stanford Rd. was present and requested of the Board consideration in the help of constructing a School bus turn around in the area of his driveway, specifically the removal of approximately 150 yds. of dirt which then he would gravel at his own expense. Truxell stated the Board of Education should provide all turn arounds and suggested Mr. Hayes contact the School Board. The Board was in full agreement that no objections to his plan would be made by the Board.

The Clerk reported he had contacted the Prosecutor's office in regards to legal action the Board might take against the waterway obstruction on the property of N. S. Bertsch.

The Board discussed the possibility of purchasing a tape recorder for the use of the Township and Zoning Clerks. Further discussion will be had on this matter at a later date.

Truxell reported Zoning Inspector, Ritch, had contacted all property owners who had complaints filed against them for the purpose of cleaning up their property.

Boodey reported the roads were in rough condition and that Hodge was attempting to make all necessary repairs. He is also cleaning ditches.

Dave Mayer of the J. A. Mayer Co was present. Trustees set up a work program as follows. Complete Oak Hill and Major Road grading, then for the purposes of oiling Mayer would start to grade first the Boston area, second the Route 8 area, and third, Oak Hill and Major Rds. A discussion of work that was needed on Stanford Rd. and Major Rds (that portion that borders West Richfield under a mutual maintenance).

The Trustees discussed the possibility of re-roofing the old Township building.

The meeting adjourned at 9:30 P.M.
