

Board of Township Trustees

Minutes of Meeting Held September 21, 1959

A. D. 19

A Meeting of the Board of Trustees of Boston Township was held on Monday, Sept. 21 at 7 P.M. with the following members present: Geo. E. Fisher Jr., Lawson W. Scobie and C.L. Truxell.

The Minutes of the meeting as of Sept. 14 were approved as read.

Scobie reported he had contacted Mr. Van Brimmer of the Summit County Engineers Office, and was told the County Engineers will take care of the drainage ditches in the Keenan Rd. Area, around the 1st of October. This will help the drainage problem, and the Trustees agreed to replace the present drainage pipe with a 20 inch drain, and install a second one further down Keenan Rd.

Truxell reported the clutch of the Grader has been replaced, and would be in operation by Tuesday, Sept. 22nd.

Fisher, again, postponed the appointments to the Zoning Board and Zoning Commission until further discussion of this matter.

The Clerk read a letter received from C. L. Bower, County Auditor, advising the Trustees the \$3477.00 received from his office in August is part of the Local Gov't Allocation. He advised the correction of this matter that was set forth in the previous meeting. (Letter on file with Township records)

The next meeting will be held October 5th at 7 P.M.

The meeting adjourned at 8:15.
