

Board of Township Trustees

Minutes of Meeting Held August 14, 1959

A. D. 19

Special Road Meeting

Present: Geo. E. Fisher, Lawson W. Scobie and C. L. Truxell.
Also Road man Wilford Hickin.

The Trustees informed the road man Hickin, of the situations that existed in the Township and felt more of his attention should be given to the trimming of branches and weeds at this time of the year.

A schedule was presented by Road Chairman, Truxell, to the group requesting approval. No objections were made by either Fisher or Scobie.

Hickin was told in the past he had been requested to leave his work sheet at the Township Garage with his daily route clearly noted in the event any of the Trustees would like to contact him during the day. This policy has been neglected and it is the intention of the Trustees to have to have their instructions carried out.

The condition of the Township yard was also brought to the attention of Hickin, with the request that something be done to make it a little more presentable.

Once again Hickin was told no drain pipes are to be installed on property unless a written request be presented to the Clerk.

The meeting adjourned at 10:30 P.M.

Clerk
