

Board of Township Trustees

Minutes of Meeting Held

June 9th 1956

A. D. 19

INFORMATION TO BIDDERS

Unless otherwise specifically noted, all materials used on work under this contract shall meet the requirements of the Standard Specifications of the State of Ohio, Department of Highways, as published in the Construction and Material Specifications.

Prospective bidders are advised that the Township does not guarantee the location of any sub-surface structure, nor the true character of any sub-surface material shown on the contract drawings. The indication of such structure and of such materials on the drawings are based on the best data available, but are not to be regarded as conclusive.

At least forty-eight (48) hours before breaking ground, the Contractor shall notify all Public Service Corporations whose tracks, wires, pipes, conduits or other structures may be affected by his operations. He shall likewise notify the Chief of the Fire Department of the temporary blocking of any street.

Sub-surface structures encountered in the prosecution of the work shall be protected and maintained in complete operation, unless permission for their removal or relocation is given.

Existing sub-surface structures, including old sewers, abandoned drains, etc., which may appear within the limits of the excavation, shall be removed, if required by the Engineer, but such removal will not be paid for separately, being included in the price paid for the excavation or other items, including such excavation.

Existing structures which may be encountered in, or along the work shall be removed and replaced, or shall be maintained by the Contractor or at his instance and expense by the parties interested, and in such manner as to secure the safety of the public and the structures affected. The use of the pipes, conduits, poles, etc., shall not be interrupted without the consent of the parties using or controlling the same.

Whaley Road T. R. #442 from its intersection with Cleveland-Akron Road S. R. #8 westerly 2564 feet being within Boston Township, Summit County, Ohio, is to be improved by grading, ditching, install necessary driveway culvert pipe and by graveling the road surface.

EXCAVATION (unclassified), shall include the moving of all material shown above the finished grade on the cross-sections. Wherever possible, the existing road material shall be kept within the travel area and waste material shall be that which is unsuitable for road construction.

The roadway surface is to be shaped and all slopes are to be graded to a uniform grade under the Excavation item, (unclassified).

All border line trees that can be saved shall be saved and shall be graded around as ordered by the Project Engineer.

Corrugated Metal Pipe shall be installed in designated driveways and backfilled with suitable materials from the excavation, and surface with road gravel.

Existing C.M.P. in driveways that the Project Engineer approves for relaying shall be placed in the new ditch and backfilled with suitable materials from the excavation and surface with road gravel.

The road surface is to be gravelled according to the standards approved by the Summit County Planning Commission, Summit County Commissioners, Summit County Trustees Association and Summit County Engineer.

Minutes of Meeting Held

A. D. 19

CORRUGATED METAL PIPE shall meet the requirements of M-6.4 (a), (b-3, b-4 and B-5) 16 gage, State of Ohio Department of Highways, Construction and Material Specifications.

The footage to be paid for shall be the actual number of linear feet of each size of pipe in place, complete and backfilled.

Driveways shall be surfaced from the near edge of the new metal to the property line (or to a point designated by the Project Engineer) with approved road gravel and such gravel shall be paid for at the contract unit price per ton for Road Gravel in place.

ROAD GRAVEL. The grading of the aggregate shall meet the requirements of The Summit County Planning Commission as approved June 14, 1954, and as shown on the typical section that is made a part of these plans.

If the surface is too dry to permit good compaction of the full course of Road Gravel, the Project Engineer may require the Contractor to hold off placing the entire required depth of material until a suitable time.

Existing C.M.P. relaid in new ditch shall be the actual number of linear feet of C.M.P. relaid (and accepted by the Project Engineer) in the new ditch and backfilled complete in place.

Surfacing shall be the same as for new pipe.

ORDER FIXING TIME OF HEARING OBJECTIONS AND CLAIMS AND FOR NOTICE THEREOF. (Rev. Code §§73.02-5573.10)

This 9th day of June 1956, the County Engineer of Summit County transmitted to the Trustees of Boston Township, Summit County, Ohio copies of the complete surveys, plans, profiles, cross-sections, estimates, specifications and tentative assessments for grading, ditching, installing necessary driveway and roadway culvert pipe and applying a gravel road surface 18 feet in width on Whaley Road T. R. #442 from Cleveland-Akron Road S. R. #8 westerly 2564 feet, all of which is in Boston Township, Summit County, Ohio.

IT IS, THEREFORE, ORDERED THAT, The Boston Township Clerk cause to be published in the Akron Beacon Journal, a newspaper published in this County and of general circulation within this Township, once a week for two consecutive weeks, the notice of hearing objections as required by law.

IT IS FURTHER ORDERED THAT, The 29th day of June 1956, at 8:00 o'clock P. M. Eastern Daylight Saving Time, at the Boston Township Hall, be and is hereby fixed as the time and place for hearing objections to said improvement, and for hearing claims for compensation for lands and property to be taken for said improvement or damages sustained on account thereof or for hearing objections to the estimated assessments.

IT IS ORDERED THAT, The County Engineer, or his Deputy or Assistant, serve a copy of said notice on all abutting property owners, residents within this County, owners of land or property to be taken and appropriated for this improvement, at least ten days before said hearing, by handing such copy to each such person personally or by leaving the same at the usual place of residence of such person.

IT IS ORDERED THAT, Said Clerk mail to all abutting property owners who are non-residents of this County, who property is to be taken and appropriated for the improvement, a copy of the newspaper containing such notice, if his or her address be known to said Clerk.

Returns of the time and manner of service to be made and filed with the Trustees on or before said date fixed for hearing claims for compensation, damages or objections, to which time this matter is adjourned.

Lewson W. Scobie,
Geo. Fisher Jr.,

Trustees of Boston Township,
Summit County, Ohio

I, Marie L. McDewitt, do hereby certify that I am the Clerk of the Board of Boston Township Trustees, Summit County, Ohio, duly appointed April 27, 1936, elected thereto November 7, 1939, for a term of four years, duly re-elected November 2, 1943, duly re-elected November 4, 1947, duly re-elected November 6, 1951, and duly re-elected thereto November 8, 1955 for terms of four years each.

I, further certify that the above is a true and correct copy of said resolution and order duly adopted at a Special meeting of the Board of Boston Township Trustees, Summit County, Ohio, held June 9 1956.

Marie L. McDewitt, Clerk,
Board of Boston Township Trustees
Summit County, Ohio

Board of Township Trustees

Minutes of Meeting Held June 9th 1956 A. D. 19

The meeting adjourned at 10:30 P.M.
