SPECIFICATIONS FOR STREET LIGHTING BOSTON TOWNSHIP.

First: That the street lighting system to be furnished, installed, operated and maintained, as provided for in the resolution of the Township Trustees of Boston Township, Summit County, Ohio, passed on the 17th day of May, 1948, shall consist of twenty-three (23) lighting units (approximately 3500 lumen) incandescent lamps, mounted on mast arms. These mast arms shall be located on the poles of Ohio Edison Company indicated on the blue print attached hereto and marked Exhibits 'A' and 'B'.

Second: That in addition to the minimum number of lamps above mentioned, the successful bidder shall, from time to time, furnish, operate and maintain such additional lamps as may be ordered by the Trustees, provided such additional lamps are to be located upon the lighting circuits then established, or within a reasonable distance therefrom.

Third: That all lamps herein provided for shall be operated each and every night in the year from approximately one-half hour after sunset to one-half hour before sunrise on the customary schedule for such lighting service.

Fourth: That the Trustees will pay for the lighting service to be furnished by the successful bidder during the period herein specified at the annual rates submitted by the successful bidder, which rates shall be prorated and payable monthly within the first twenty (20) days of the month next succeeding that during which said street lighting service is furnished.

Fifth: That the contract to be entered into shall extend from the first day of August 1948, until the 31st day of July 1953, and thereafter from year to year for an additional period of not more than five (5) years, provided that either party may terminate this contract after said initial period of five (5) years by the giving of notice in writing to the other party at least ninety (90) days before any annual renewal date.
