Held September 11, 1996

Chairman Bergdorf called the meeting to order at 7:04 P.M..

Present were Trustees Randy Bergdorf and Dan Schneider, Clerk Frank Kaczmarshi and Legal Counsel Edward Pullehins.

Riverview Road Relocation: Mr. Bud Peterson of Boston Mills Ski Resort led a discussion concerning the plans for the Riverview Road relocation. He indicated that original plans of the County Engineer called for Riverview to be rerouted through the "Boston Park". The National Park Service would be willing to relocate the "park" to the site of the old "Denny's Store and Post Office", add exhibits and benches and maintain the area. Some of the residents in attendance expressed a desire to leave the "park" and trees undisturbed. Mr. Peterson stated that doing so would cause the loss of a number of parking spaces. Bergdorf recommended that a meeting be held so that the residents of Boston could express their opinions regarding this situation. The Trustees then scheduled a special meeting for 7:00 P.M., September 18, 1996, at the Township Hall, with the main item on the agenda to be a discussion of the proposed Riverview Road Relocation.

Zoning Hearing: Bergdorf presented the "Executive Summary" on the revised Zoning Resolution. He then led a discussion, giving explanations of various items and definitions of terms used in the Resolution. Those in attendance were asked for any comments or questions, however; there were none. Pullehins recommended that the acceptance vote be taken at the next regularly scheduled meeting so that all Trustees would be able to vote. Bergdorf indicated that copies of the Revised Zoning Resolution were available at the Peninsula Library and that the Board would be open to comments on it for the next two weeks.

Boston Township Hall Committee: Bergdorf mentioned that the next regular meeting of the Boston Township Hall Committee was scheduled for 7:30 P.M., September 19, 1996, at the Peninsula Library. Pullehins indicated that he had been in contact with Phil Studer of First National Bank and that Studer assured him that the plans for the transfer of funds from the Township to the Boston Township Hall Committee were progressing smoothly.

Road Department Activity: Schneider reported that the new mower worked for less than 30 minutes before its' first breakdown. It has been returned to the dealer for repair of a broken shaft.

Oak Hill Road: Diane Hach, representing Oak Hill Road Residents, expressed their concern over proposed improvements to Oak Hill Road. She stated that the residents of Oak Hill Road wished to keep their area rural and that no more trees should be cut. She indicated that they want no improvements, resurfacing or widening. "In fact", she said, "create chuckholes to slow drivers down or, if necessary, close the road".

Formation of Records Commission: Bergdorf mentioned that he would be attending a seminar, sponsored by the Township Association of Summit County, regarding Public Records Retention. The meeting is to be held on October 1, 1996, at the Sagamore Township Town Hall.
