Dear Messrs. Schneider, Bergdorf and Broderick:

Thank you for your letter of March 26, 1991, regarding development plans for Cuyahoga Valley National Recreation Area.

I am mindful of your concern about the proposed Oak Hill Environmental Center. I have discussed your position with NPS officials, and have been assured that the Park Service will take into account the specific concerns of Boston Township residents.

As you know, I am a long time supporter of the CVNRA, and thank you for sharing your views on this issue with me.

Very sincerely yours,

Howard M. Metzenbaum
United States Senator
